WHAT IS IT?

Practical Spiritual Astrology is grounded in the understanding that our aim as consciously evolving humans is not only to remember and reclaim our essential divine nature, but also to manifest that spiritual essence more dynamically and more abundantly in the material world. The sacred knowledge of the heavenly intelligences and their cosmic cycles can guide us infallibly into spontaneous right action and joyful, fulfilled expression of our true selves.

Practical Spiritual Astrology thus brings us daily opportunities for being completely spiritually centered in a consistently resourceful manner that brings out the best qualities in our circumstances, that is completely congruent with our true creative nature, and that is genuinely helpful to others in a multitude of pragmatic, life-affirming ways.

“What we are looking for is what is looking.”

- St. Francis of Assisi

THE FOCUS FOR NOVEMBER

The most important factor in determining what happens to us in the future will not be found in the economic realm, in the global arena of geopolitics, or in the mysterious behind-the-scenes machinations of the unseen forces that shape our destiny in so many ways. Instead it will be found within our hearts, and in our ability to use the essence of loving expression to create a brighter, clearer vision of what is possible when we apply our minds, emotions, and spiritual focus to augment the flow of natural blessings that spontaneously reveal themselves every day.

No matter how oppressive external circumstances may seem, if we stand strong and secure in our certainty of our personal union with divine purpose in expressing ever-greater love and understanding, our spirit will prove indomitable. Through that steadfastness of spirit, we are fully empowered to share and embody the highest degrees of blessing in every interaction we experience.

What is being born within us now is the amazing capacity to see beyond the surface, to become intimate with the inner workings of the universe as they are expressed in all their amazing forms. As we sharpen the refinement of our insight, we can spontaneously give fuller expression to the kind of integrity that makes relationships worthwhile and energizes the true beauty that eternally resides within our hearts.

In a very real sense right now, there is nothing more for us to learn. We have heard the messages, we have studied the lessons, and we have been given the right guidance and advice. We hold the answers in our hands and hearts. Our only task right now is to transform our lives completely in accordance with the wisdom that has been granted to us, claiming our divine birthright once and for all.

The Spiritual Side of Financial Manifestation

As we confront the challenges of massive economic change, there is an inevitable impact on our spiritual development. True enlightenment—and true prosperity—means being able to function effortlessly in the material world while maintaining a spiritual focus. But how do you do that when you're out of money?

In answering that question, Stuart Lichtman, the developer of Cybernetic Transposition, has joined forces with “Attractor Factor” author Joe Vitale to create a massive ebook called “How To Get Lots of Money for Anything—Fast!” While it's a wonderful resource for wealth creation, the techniques that Lichtman and Vitale reveal can also be used to improve health and spiritual well-being, increase success, strengthen relationships, lose weight (Lichtman says he lost 21 pounds in 21 days), and much more. You'll find complete information on this amazing book at <http://www.anything-fast.com/?fid=astro> It's guaranteed to change your life!
